We have personally verified each institution through our team of experts. As a result, we have understood the quality of Education provide, the facilities available and the stability of the country to our students and the opportunity after that before presented to our students. You're my extended family and so it's my utmost duty to provide good education,safety,care and guide you towards successful career”

-DR. J SAKTHIDASAN MD.,

“Be Assured, Rest We Will
Take Care Of You”

STUDENT PROFILE

ANALYSIS

Filling out an application form is only one part of the process of applying for international education. A student wouldn't want to end up in a place or with a course that wasn't appropriate for him or her. You are welcomed to the AP Abroad Service for a 360-degree course and country planning session with our experienced counsellors.

CAREER COUNSELLING

Learning from others is essential when it comes to accepting responsibility for your career development. It is for this reason why career discussions and mentoring are so crucial. Where should I study? Which programme will lead to a more fulfilling career? For comprehensive career counselling, AP Abroad Service will be of assistance.

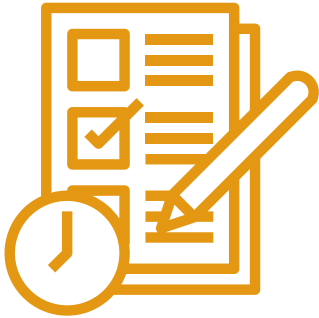

COURSES & UNIVERSITY SELECTION

You will be able to decide which course and nation are best suited for your personal and financial circumstances, as well as which colleges you will perform the best at, with our one-on-one tailored counselling at a time that is appropriate for you. We give you full support in choosing a subject, a university, and completing the entrance.

ADMISSION & APPLICATION ASSISTANCE

Filling out an application form is only one part of the process of applying for international education. A student wouldn't want to end up in a place or with a course that wasn't appropriate for him or her. PRE DEPARTURE BRIEFING

We provide pre-departure lectures for all of you, including your parents, to allay any concerns or apprehensions before they board a flight for your desired destination.

POST ARRIVAL ASSISTANCE

Our relationship does not end once you fly away. Everything just resets. To ensure that you have no difficulties at all during your stay, our counselors will be on call around-the-clock.

“Fuel up your
Medicine journey with us”

WHY US?

- Study MBBS Abroad at low cost with guaranteed admission.
- Over a thousand students are sent abroad for medical school by one of the pioneers in this industry.
- Run by medical professionals who have received their medical degrees from abroad, so they are aware of the true needs of the students and their parents.
- Transparency in all financial dealings.
- Partnerships with well-known universities worldwide.
- Genuine academic support rather than a show of arrogance.
- Transparency of the projects being done
- Real-time assistance for students during their time at the university and beyond.
- Genuine counselling without a covert purpose or embellishing the facts
- Suggestions for upcoming academic goals.
- Recommendations that will work best for both children and parents.
