CEO STATEMENT

DR.SAKTHIDASAN MD.,
CEO & DIRECTOR

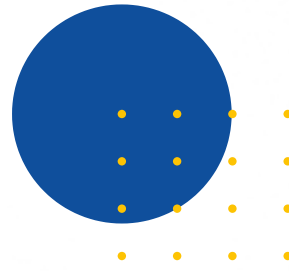

“BE ASSURED REST WE WILL TAKE CARE”

AP Abroad Service, we are your trusted International Medical Educational Partners, not a mere agency with any contact with the Universities. We have personally verified each institution through our team of experts. As a result, we have understood the quality of Education provided, the facilities available, and the stability of the country to our students and the opportunity after that before being presented to our students. You are my extended family and so it's my utmost duty to provide good education, safety, care & Guide you towards successful career.

VISION & MISSION

VISION

Our vision is to give feathers to your dreams and turn them into reality with a friendly approach and for that, we strive at giving extreme counselling, guidance, and career support to the students who are seeking to pursue UG & PG from Abroad.

MISSION

Our mission is to provide the best educational guidance to students seeking UG & PG from abroad in top universities. Our career road map for Study Abroad will set you on your path to the success of becoming a world-class qualified Doctor!
